Ms Oha,

I wanted to take a few minutes and Thank You for all you have done. My daughter FINALLY has a confidence behind the wheel that she didn't have before. You have a talent for making her comfortable and relaxed. I took her out last week and she did beautifully.

The time you spent with her made all the difference in the world!

Thank you again Becky...you have a gift for teaching~

All my best to you,
Diane [REDACTED]
